Manufactured in Euro sizes

LIFETIME GUARANTEE

All Gill products carry a lifetime guarantee so you can trust them to perform whenever you need them. The Gill lifetime guarantee covers against all defects in material and workmanship for any product. If the product is found to be defective (other than fair wear and tear during the natural life of the garment) we will repair or replace it at our discretion, free of charge.

CARE AND REPAIR

Sailing clothing has a tough life in a tough environment. Gill clothing is designed to withstand the rigours of sailing. Regular care and maintenance will improve performance and extend the life of your clothing, which means lasting comfort and protection for you. It is important to avoid using biological detergents on waterproof clothing and to always allow them drip dry, unless instructions state otherwise. If your garment gets torn or damaged, we offer a comprehensive repair service.

SERVICE

A key element of the service we offer is to advise and ensure that the product you purchase meets your requirements. If you have any questions, please contact our Technical Clothing Specialists for advice:
UK +44 (0) 115 946 0844 USA +1 (1) 800 822 6504 ext 105

UPF 50+

A UPF (Ultraviolet Protection Factor) rating indicates how effective a fabric is at blocking out solar ultraviolet radiation. Our rating of UPF 50+ is the highest possible and therefore offers an increased level of sun protection. Over-exposure to UV radiation can cause sunburn, skin damage and an increased risk of developing skin cancer. Our sun protective fabrics are tested in accordance to the Australian/New Zealand standard AS/NZS4399 which has been widely accepted as the worldwide standard for next-to-skin fabrics.

Note:

Medium sized products are illustrated to indicate the weight advantage of each garment. These may sometimes vary. Colour photography shown in this catalogue is as accurate as the printing process allows.
